## Did You Know That This School...

- Is operated by Fethullah Gulen, a radical Imam, wanted by Turkish authorities?
- Is part of a network of charter schools that has been raided by the FBI in 4 different states concerning allegations of money laundering, misspending and self-dealing?
- Is the subject of NAACP resolution 16, that calls for the investigation of this and all Gulen charter schools by federal and state governments?

The Gulen Network has over 150 charter schools operated by radical Muslim cleric, Fethullah Gulen, all over the United States. Gulen-operated charter schools have been the subject of numerous investigations at the state and federal levels for years centering on allegations of money laundering, bribery, abuse and shady political associations. The Ohio State Board of Education launched a probe into all 19 Gulen-run Horizon Science Academies in the Midwest and his schools have been banned in many countries around the world.

## BUT THIS IS JUST THE TIP OF THE ICEBERG!
